www.sit.edu/ipa

Through the IPA program, we demystify the policy-making processes of international agencies such as the World Bank and International Monetary Fund. IPA helps participants develop effective strategies to bring to the forefront the important issues and concerns of civil society and supports them in their advocacy efforts to effect change.

Dart Thalman
Director

SCHOOL FOR INTERNATIONAL TRAINING

The accredited college of

WORLD LEARNING

Founded in 1932 as
The U.S. Experiment in
International Living

The School for International Training is accredited by the New England Association of Schools and Colleges.

It is the policy of World Learning to provide equal employment and educational opportunities for all persons regardless of race, color, religion, gender, sexual orientation, national or ethnic origin, age, disability or handicap, veteran's status, ancestry, or place of birth.
