Dear Editor.

Please find enclosed press releases of our latest publications. Should you be interested in reviewing any of them in your media, you might send me a request for review copies.

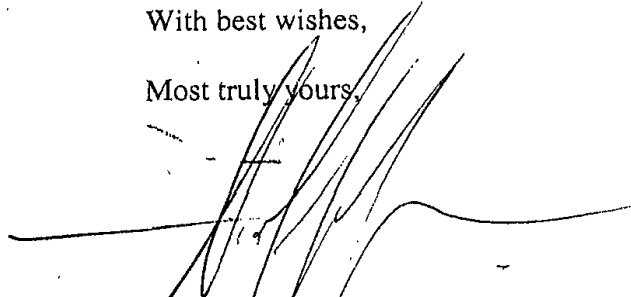

Alternatively, you might be interested in consulting our website at www.unrisd.org, which will provide you with a comprehensive view of our activities, general information and documentation.

I take this opportunity to inform you that our website will undergo a major overhaul in the next few weeks and that the press section, in particular, will be redesigned to serve your requirements and provide you with information on the range of subjects the Institute is currently working on.

I look forward to being of assistance to you and your colleagues in the near future.

With best wishes,

Most truly yours,

Nicolas Bovay
Information Officer.
