# How to Obtain More Copies of *The Essentials of Contraceptive Technology*

*The Essentials of Contraceptive Technology* in English (Spanish and French coming soon) is available *free of charge* to health care professionals and programs in developing countries, USAID Collaborating Agencies, and other organizations working to promote reproductive health in developing countries. For developed-country orders, the price is US\$5 per copy, postage and handling included. (Developed-country orders should be sent to the Population Information Program at the address below. Please pay with order.)

Only for those in the regions or countries listed below, please send orders for 40 copies or fewer to one of the addresses listed under each country. (For orders of over 40 copies, see below.)

If you want more than 40 copies, or you are unable to obtain copies from one of the distributors listed below, please write to the Population Information Program (see below) or complete the Internet order form at: <http://www.jhu.org/essorder.stm> (With requests for multiple copies, please describe the intended users—for example, “auxiliary nurse-midwives in MOH clinics.”)
