

## UPDATE

No. 3  
May 2001

*PAS Newsletter focusing on the Second World Assembly on Ageing 2002*

Dear Colleagues:

In this edition of the PAS UPDATE No.3, we are pleased to bring you further information about the Second World Assembly on Ageing. As we have said before, we are trying to keep you up to date on the preparations for both the World Assembly and the NGO Forum. With this newsletter, you will find two documents: *Towards Madrid I* and *Towards Madrid II*. *Towards Madrid II* gives you an explanation of the difference between the World Assembly itself and the NGO Forum and instructions you will need to apply for accreditation.

The first resumed session of the First Session was held at United Nations Headquarters in New York from April 30 to May 1. For an update on what happened, please refer to the document *Towards Madrid II*. One of the important features is how NGO's can apply for accreditation to the Preparatory Commission and to the World Assembly and the Forum if they have not been previously accredited to a world conference.

The instructions on accreditation have been set, however the deadlines to attend the Forum, the Preparatory Commission, and the Assembly are confusing. Please refer to the *Annex* which will explain the information you are required to send about your organization for accreditation. Because the dates are confusing **we would like to take this opportunity to urge you to apply for accreditation to the Preparatory Commission, the Assembly and Forum immediately.** You must send your request for accreditation to the following contact person:

Attention: Yao Ngoren  
Social Affairs Officer/NGO Focal Point

Tel: +212 963 3175

We cannot stress more strongly that if you wish to attend the preparatory sessions in New York or the Assembly and Forum in Madrid, Spain, you must register and become accredited before you can attend
